The Karting programs begin with a short meet-and-greet session followed by technical instruction by our professional racing instructors. Participants learn how to get in and out of the karts, how the machine works, proper braking, steering, kart racing, and line around the track. Instructors also explain handling and braking techniques for each corner around the course during a track tour. Participants will be split into groups and head out onto the track in the karts. All Karts have GPS tracking and after each session you are ranked based on your lap times, this allows a competitive twist to the fun!

The UTV Off-Road program is done on-site at RA and utilizes the miles of trails they have all around the facility. The Program includes helmets, so the only gear you need to bring is proper clothing for the weather, gloves, sweatshirt, proper shoes, etc. The Program is staffed with instructors; Insurance is provided on our behalf for all participants.

Facility Tours will be limited to 20 people per tour on their Mini Bus. They will highlight and explain highlights of the Track, visit "Race Control" & the "VIP Tower"

***DRESS FOR THE WEATHER EVENTS WILL HAPPEN RAIN OR SHINE
 OFF ROADING IS MORE FUN IN THE MUD!!***

Hotel Information

For online reservations, have your guests head to www.osthoff.com. From there, select "Reserve" in the upper right hand corner. Select the time frame they want to stay by season. Select the arrival and departure dates and hit Next at the bottom. Enter the name and email. This brings you to an info page and below the dates/accommodation/adults/children section your guests can place the group code in the "Group ID" box, #141558. This will link to "ISRI Upper Midwest Chapter."

Our website is very particular if the info doesn't 100% match what our Property Management System shows internally for your group, so it is oftentimes most efficient to have your guests call us directly. Your guests can call the resort to speak to an agent, at 1-800-876-3399. For Group Inquiries such as yours, have your guests select prompt #1. Have them reference the group they are with, "ISRI Upper Midwest Chapter" to receive the group discount and to be placed in your group block.
