

# 2018 ISRI Yard Management Forum

November 8-9, 2018

ISRI National Offices • Washington DC

Managing a scrapyard is like being the conductor of a symphony. When all the pieces are working together, the results can be masterful. And when they're not, the results can be disastrous. Learning how to manage the equipment, personnel, and other issues that come into play takes years of practice. ISRI has created the ISRI Yard Management Forum to help managers learn new techniques on running the equipment and managing personnel. Designed for members by members, this program calls on the experience, talent, and know-how of experienced members and teaches aspects of running a scrapyard you won't find anywhere else. Learn valuable insights from these leaders and take back new tips on running a better operation.

## Sponsorship Opportunities

### Become the Premier Sponsor of the 2018 Yard Management Forum!

Make sure your company name and logo are seen by everyone attending as the event's Premier Sponsor. The Premier Sponsor is recognized as the top line sponsor in all communications (ISRI Yard Management Forum, sponsored by [your company]). You get exposure in print, on the web, and on all signage at the event. This premier sponsorship also includes a complimentary registration to the event. Since there are no exhibits, this puts your representative in the room where it happens and gives you the opportunity for direct communication with yard operations managers from across the country.

### Sponsor a reception or food event for Forum attendees!

Time and again, ISRI members score networking as the most important benefit of ISRI's meetings. Sponsors do as well. As the sponsor of the opening reception or continental breakfast, your company is recognized as a supporter of these networking opportunities. What's more, you have the opportunity to meet and talk with all meeting attendees. You'll be further recognized by the event's leaders
