

Young Executives Council

Who We Are

The Industry's Next Generation

The ISRIYE Council is a group comprised of individuals ages 40 and under who are employed by ISRI member companies.

Our Objectives

We Leverage Opportunities

- Cultivate talent;
- Provide development & leadership opportunities through ISRI;
- Create environments where learning & idea sharing thrive;
- Produce annual educational and social events;
- Leverage opportunities for ambitious young professionals to network with industry leaders, as well as establish mentor/mentee relationships;
- Promote One ISRI by supporting cohesive chapter-level engagement targeting young executives across all commodities;
- We advocate for you. The council works with industry leaders to invest & empower young professionals within their own companies.
