DUES SCHEDULE FOR CONSUMERS

Dues for Consumers of **metallic and non-metallic materials** are calculated on annual gross sales. Annual Gross Sales are calculated by using the ratio of scrap purchases to total raw material purchases times the total gross sales. To determine annual dues, apply that figure to the following appropriate dues category. **Note: A member that has operations or facilities that fall within multiple dues categories (Active, Associate, Consumer, etc.) must calculate the appropriate dues within each category, and then pay dues not upon the total of all such categories but based upon the highest calculated category.**

Annual Gross Sales	Dues Category	Annual Dues	Publications Directories
\$0 - \$35m	C1	\$3,551	1
\$35 m - \$100 m	C2	\$5,300	3

While ISRI dues or contributions may be deductible by members as an ordinary and necessary business expense, they are not deductible as charitable contributions for federal income tax purposes. This non-deductible percentage reflects the portion of ISRI's expenses used for “lobbying” as defined by the Act. The non-deductible percentage of your 2019 national dues is 13%. The portion of your dues that is spent to lobby the State and Federal Government is not deductible for federal income tax purposes.
