## **FACT SHEET**

The ISRI Circle of Safety Excellence™ is open to all ISRI members committed to operating safely and is designed to bring together those companies willing to share certain specified injury statistical data in order for them to be able to benchmark their operations and learn from each other. Membership in the Circle of Safety Excellence is a demonstration of an individual company's commitment to continuous improvement, and the industry's commitment to the safety of all of our employees and the communities we serve.

### **Criteria for Joining**

- Willingness to share the following company injury frequency rate data by March 1<sup>st</sup> of each year:
  - LTI (Lost Time Injury Frequency Rate)
  - DART (Days Away, Restricted work activity and/or Job Transfer)
  - TCIR (Total Case Injury Rate)
  - CSA data (if your company has a fleet)
- Company must have in place key elements of a safety management program
- Company must commit to continuous safety improvement
- Must have ISRI.org website username and password credentials

### **Benefits of Membership in the Circle**

- Benchmarking: Ability to benchmark an individual company's progress against other industry leaders committed to safe operations
- Availability of a network for the sharing of safety best practices
  - Twice annual opportunities for face-to-face meetings (including at the ISRI annual convention)
  - Periodic conference calls/webinars on topics/issues of interest
  
- Recognition at the ISRI Convention, on ISRI's website and in *SCRAP* magazine.
- Use of Circle of Safety Excellence™ Logo on company letterhead, website, trucks, etc.

The goal of the Circle is to help companies improve their operations so that eventually all ISRI members will be proud members of the Circle of Safety Excellence. As such, ISRI is dedicated to helping companies work to attain membership through ISRI's Safety Outreach program. [Click here to apply.](#) you are interested.
