IF IT SEEMS UNSAFE
IT PROBABLY IS.

Stop. . . Think. . .

If you don’t know—ask.
If you’re not sure—check.
If you need help—get it.
If you’re going to fast—slow down.
If it’s broke—fix it.
If you need a hammer—don’t use a wrench.
If you need a ladder—don’t use a chair.

Do it Safely—or Not at All.
